A NOTE FROM THE PRINCIPAL

It's the end of Term 3 and what a fantastic term we have had! Every Monday the students enjoyed tennis for sport. We would like to thank Tennis Australia for providing this great experience for our students.

We had our relay team represent our school at the PSSA Hunter Regional Athletics Carnival in Newcastle. Well done Michael, Max, Monty and Amber and thank you to all the parents for taking their children to this event.

We look forward to inviting our new Kindergarten children to our Kinder Orientation next term. To help our new students get ready for Big School, we are offering our new students to attend 3 sessions at our school. Students will become familiar with our classrooms and our school environment. Dates and more information will be sent out early next term and a flyer will be displayed around the community. We can't wait to meet you!

We wish all families a safe and relaxing holiday. Students return Monday 14th October.

HUNTER REGIONAL ATHLETICS CARNIVAL

The students were introduced to the different types of recyclable materials and the importance of separating waste properly. Hands-on activities allowed them to practice sorting items into the correct bins, making the learning experience both engaging and practical. The workshop presenter shared inspiring stories about how recycled materials are transformed into new products, sparking the students' imaginations and encouraging them to think creatively about sustainability.

IN THE CLASSROOM WITH MS ROZE!!!

In literacy K-2 have been busy learning about adjectives and verbs and have been including these in their own descriptive writing. They are making great progress with their reading and have been enjoying playing phonics games.

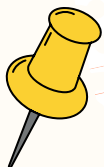

In maths we have been working on describing position. It has been fun making mazes and explaining how to get from one side to the other while also avoiding the booby traps that have been placed inside! The students have also looked at different types of maps and have created their own of the school.

Upcoming Events

- First day back for students for term 4 - **Monday 14th October**
- Swimming - Change of date! WEEK 6!!
